**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I receive my Internet and home phone service from Sonic. I chose them because they provide better value for better service than I had with AT&T. Sonic does not set arbitrary price tiers for their service, nor to they set artificial caps on the performance of their services.

As a small provider they have also been more responsive on customer support that I ever received from AT&T.

Their service is exactly the type of competition that should be encouraged to ensure that quality service is available to all.
